This Celebration collects contributions by some former students of Luigi, and a few of the visiting scholars who have interacted with him at the CISCL center in Siena.

Alas, we were not able to reach all the people who might be willing to contribute to this celebration. Therefore, the following list is just a representative subset of a much wider community!

Introduction:
Adriana Belletti
About CISCL

Contributions:

Flavia Adani
Some notes on the acquisition of relative clauses: New data and open questions

Giulia Bianchi
A cartographic approach to the second language acquisition of German weak pronouns

Valentina Bianchi & Cristiano Chesi
Subject islands and the Subject Criterion
